Sarla Anil Modi School of Economics (SAMSOE) was set up under the aegis of SVKM's NMIMS University in 2010. In keeping with NMIMS' tradition of innovation in the field of education, the School was set up to fulfil a growing need of an excellent program of Economics in the city of Mumbai. Our School's vision is to create individuals who are globally oriented in thinking and who can adopt a multi-dimensional approach to complex issues impacting business, society, nation and the world. To nourish and nurture young minds with education which is fundamental and lifelong in approach while being meaningful, relevant and applicable in any part of the world. At the Sarla Anil Modi School of Economics we transform our students' educational experience through multi-disciplinary and experiential learning. We seek to nurture intellectuals with powerful ideas which have real world applications. We have a unique and contemporary curriculum which is delivered by well trained and qualified faculty through innovative pedagogy. At the school we have some of the brightest students from some of the best schools. Our program is synonymous with quality, rigor and relevance. Our aim is to help students challenge themselves and create value for their organizations, society, the nation and the world.

Prof. Amita Vaidya
Director – SAMSOE

Director's Message

About the Institute

With a legacy of 41 years, SVKM's NMIMS University is one of the premier multi-disciplinary & multi-campus University having 7 campuses and 17 constituent schools which includes Sarla Anil Modi School of Economics (SAMSOE).

NMIMS was accredited by NAAC with 3.59 CGPA Grade A+ (Mumbai Campus). Category 1 University by MHRD

3rd Rank in the category of Best Emerging College in India to Sarla Anil Modi School of Economics (SAMSOE) - by India Today 2022

M.Sc. Economics (2-Years)

- ₹ M.Sc. Economics is 2 years - 4 semester-based full time course offered by Sarla Anil Modi School of Economics. This innovative course builds on the traditional framework and introduces students to modern-day economics.
- ₹ This Masters program is intellectually demanding and stimulating. It provides students with the necessary tools for a high-flying analytical career in economics.
- ₹ The program provides discourses in various fields of economics and an in-depth understanding of the theoretical and empirical constructs in the field of economics. The program helps the students develop the ability to build and test economic models using advanced methods and sophisticated economic tools.
- ₹ The program is flexible with a wide range of electives to choose from. Professional development of students is weaved throughout the curriculum with various workshops, seminars and dedicated soft skills courses. It trains students for research and its applicability to practical situations in real-life scenarios.

B.Sc. Economics (3-Years)

- ₹ B.Sc. Economics is a 3-year, full-time, 6 semester-based graduate-level program with specializations in Finance, Economics and Business Management. The program is designed to challenge young minds, stimulate intellectual growth and provide a thorough understanding of economic concepts with a comprehensive grounding in the analytical methods of economics.
- ₹ Students are also trained to work on statistical programs like SPSS, R, Advance Excel and undergo in-house soft skill training. The program lays emphasis on the overall development of the student, through academics, co-curricular activities, mandatory industry exposure of 6-8 weeks of internships.
- ₹ Admission to B.Sc. Economics is through NPAT (NMIMS official entrance test) for candidates securing a minimum of 60% with Mathematics as a compulsory subject in grade 12.
- ₹ B.Sc. Economics students ideally secure jobs in BFSI, Consulting, Market Research, Rating Agencies, Analytics, E-commerce, IT & ITES sectors for positions such as data analyst, financial research associate, market research analyst and business analyst to name a few.
