

# READING THE MARKETS:

**Bonds, Stocks & Real-world Performance**

**+ DATA INSIGHTS  
(Using Excel & SPSS)**

*Ever wondered...*

- How do global events-like changes in monetary policy or interest rates-impact stock and bond markets?
- What drives market movements in the real world, beyond textbook theory?
- How can we interpret financial data to make sense of market trends?
- What can be done with large volumes of financial and economic data?
- How do we clean, organize, and analyze data efficiently?
- Can we use simple tools like Excel to generate meaningful insights?
- Can we Develop data visualizations and create dashboards to effectively to summarize and communicate data insights.

**If these questions intrigue you, you'll find answers at the  
Summer School at SAMSOE**

 **Date: 25<sup>th</sup> May – 30<sup>th</sup> May, 2026**

 **Format: Intensive 6-Day Program**

## Program Schedule

Session	Module	Time
1	Data Insights using Excel and SPSS	10:30 am - 11:30 am
	Doubt solving	11:30 am - 11:45 am
2	Data Insights using Excel and SPSS	11:45 am - 12:45 pm
	Lunch Break	12:45 pm - 1:15 pm
4	Reading Markets	1:15 pm - 2:45pm
5	Reading Markets	2:45 pm - 4:15 pm

## Instructor

Dr. Anandita Ghosh

Prof. Sneha Kotian

## Program Overview

This program is designed to equip participants with a strong understanding of financial markets and practical data analysis skills. It combines conceptual learning with applied insights using real-world market data.

## Key Learning Outcomes

Understand bond and stock markets

Analyze real-world market performance

Interpret financial data and trends

Perform data analysis using Excel and SPSS

Develop practical market-reading skill

Interpret and Analyze complex data tables at one click

## Who Should Attend

- ✓ Pre-Graduates
- ✓ Undergraduate Students
- ✓ Students (Finance, Economics, Business, Statistics)

## Program Fee

Course Fee : ₹15,000

GST (18%) : ₹2,700

Total : ₹17,700

Payment Link

<https://nmims.edu/payments/final/dataFrom.php>

## Registration Process

1  Pay the course fee via NEFT and note down the transaction reference number

2  Take the screenshot of the confirmation page

3  Fill the registration form:  
<https://forms.gle/UmLnVffEuC6RLhyRA>

4  Receive payment receipt after course completion

5  Last date to register:  
**24<sup>th</sup> May, 2026**

## Cancellation Policy

No refunds will be issued once payment is made.

## Certification

Participants will receive a Certificate of Completion upon successful participation.
