Message from Director's Desk

Sarla Anil Modi School of Economics was set up under the aegis of SVKM's NMIMS University in 2010 with the aim to fulfil a growing need of an excellent program of Economics in the city of Mumbai. The School's vision is to create individuals who are globally oriented in thinking and can adopt a multi-dimensional approach to complex issues impacting business, society, nation and the world.

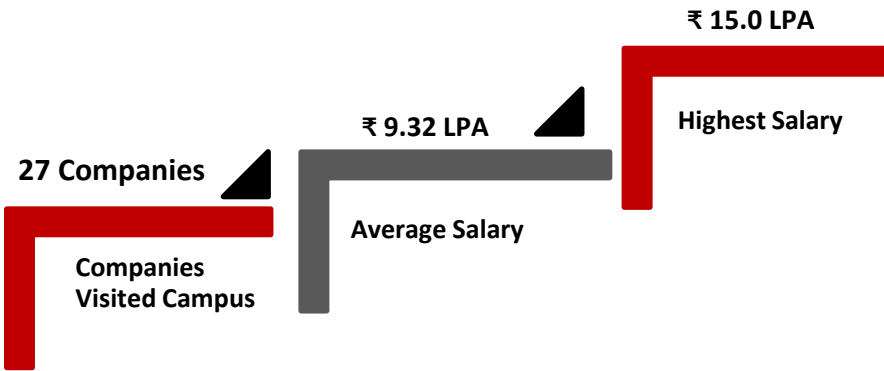

At the Sarla Anil Modi School of Economics we transform our students' educational experience through multi-disciplinary and experiential learning. We seek to nurture intellectuals with powerful ideas which have real world applications. With a unique and contemporary curriculum, delivered by well trained and qualified faculty through innovative pedagogy, our programs are synonymous with quality, rigor and relevance.

Sarla Anil Modi School of Economics is appreciative of the support extended by the industry in offering excellent placement opportunities to our students, helping the students to crossover from campus to corporate world.

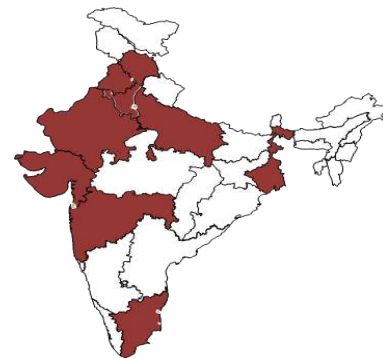

We look forward to building long-lasting relationship with regular recruiters and inviting new recruiters on board for 2024 campus season.

Our Heartiest Congratulation to our students for their marvelous performance !
